**Town Board Meeting**
**April 13, 2026**
**Meeting Minutes**

Mayor Box called the meeting to order at 7:08 p.m. Present at roll call were Trustees Annamaria Boehms, Michal Duffy, Roger Loving, Steven Oncley, and Megan Quitter.

**Approval of Agenda:** Trustee Oncley moved to approve the agenda, seconded by Trustee Quitter. The motion passed unanimously.

**Approval of the March 9, 2026 Minutes:** Trustee Oncley moved to approve the Minutes as submitted, seconded by Trustee Quitter. The motion passed unanimously.

**Announcements:** None.

**Open Forum:** Bridget Johnson, Owner of Green Girl Recycling, will continue as the Town's liaison. Payment for her monthly services will be determined either through the 2026 Sustainability Grant or through the Circular Action Alliance (CCA) and she questioned how the unknowns of how this will unfold. It's on Bridget's list to figure out how her company will be paid for recycling as well as for community events with a plan to seek grants or alternative funding for 2027.

Trustee Duffy will update the town's service provider application with CAA to ensure Jamestown is in the queue for potential future recycling service reimbursement as well as follow up with Chandra at BOCO to clarify that a signed IGA is needed before the County can complete the Joint Service Agreement with CAA, and report back to the board.

**Special Order of Business:** Approve Resolution 4-1, 2026 to Accept the 2025 Audit Exemption and Resolution.

Trustee Boehms moved to approve Resolution 4-1, 2026 seconded by Trustee Duffy. The motion passed unanimously.

Trustee Oncley and Mayor Box thanked Trustee Quitter for her involvement as Trustee on the Town Board and serving as the Parks Chairperson and the past 18 months.

Mayor Box thanked all the Trustees for their last two-year terms.

**OATH OF OFFICE:**

The Clerk administered the Oath of Office to the Mayor and Board of Trustees for the new term (April 2026 through April 2028).

The Mayor and Board will remain as is with Louis Maurer as Trustee will be taking Megan Quitters seat.

**APPOINTMENTS:**

A. Mayor Pro-Tem: Trustee Duffy moved to reappoint Trustee Bohems who accepted, seconded by Trustee Oncley. The motion passed with five votes.
B. Appoint Town Clerk/Treasurer: Trustee Oncley moved to reappoint Mary Ellen Burch, seconded by Trustee Duffy. The motion passed with five votes.
C. Appoint Clerk Pro-Tem: Trustee Oncley volunteered and Trustee Boehms moved to approve Trustee Oncley as Clerk Pro-Tem seconded by Trustee Duffy. The motion passed with five votes.
D. Appoint Fire Chief: Trustee Boehms moved to reappoint Seth Strickland seconded by Trustee Oncley. The motion passed with five votes.
E. Floodplain Administrator: Trustee Duffy moved to reappoint Sterling Bennink, seconded by Trustee Boehms. The motion passed with five votes.
F. Town Attorney: Trustee Boehms moved to reappoint Melinda Culley, seconded by Trustee Loving. The motion passed with five votes.
G. Town Insurance Provider (CIRSA): Trustee Oncley moved to reappoint CIRSA seconded by Trustee Duffy. The motion passed with five votes.

**COMMITTEE CHAIRS:**

1. Land Use and Housing Advisory (Barb Byrnes-Lenarcic) and reappointment of committee members. Trustee Loving motioned to reappoint Barb Byrnes-Lenarcic as co-chair and the committee members (Matt Kohlhaas, Nancy Loving, Dave Bautts, Jim McGinley). Trustee Oncley seconded the motion that passed with five votes.
2. Watershed Center (Steven Oncley/Roger Loving)
3. Water Operations (Roger Loving/Matt Kohlhaas)
4. Jamestown Fire & EMS (Annamaria Boehms)
5. Streets & Bridges (Michal Duffy)
6. Snowplow Operations (Erin Jobe) This committee will be rolled into Streets & Bridges.

7. Town Parks (Louis Maurer) Trustee Boehms moved to nominate Louis Mauer as the chairperson seconded by Trustee Duffy. Trustee Mauer accepted. The motion passed with five votes.
8. Cemetery (Annamaria Boehms)
9. Garden Committee (Ken Lenarcic/Deanna Franz)
10. Recycling (Bridget Johnson)

The Board members accepted their reassignments on the committees. Green Girl Recycling was added to the Committee Reports.

Trustee Loving motioned to reappoint the current committee chairs as amended seconded by Trustee Oncley. The motion passed with five votes.

**BOARD ACTION ITEMS**
**(Discussion, Direction, Action):**

- **Extended Producer Responsibility (Recycling) Education & Outreach Decision County –** Will Jamestown enter an IGA with Boulder County in order to participate in Boulder County's Joint Service Agreement with Circular Action Alliance (CAA) so that Boulder County will conduct Education and Outreach for Extended Producer Responsibility (recycling changes) on behalf of Jamestown?

  Extended producer responsibility is state-level legislation that passed a few years ago and is becoming active this year. It's changing the way that recycling systems are funded. The Circular Action Alliance (CAA) is an organization that is receiving dues from producers of packaging and things that are recyclable, or recyclable material. For example, the box that your coconut milk comes in, the bottle that your Pepsi comes in, all those producers are paying money into this system that will then… CAA will funnel out to pay for recycling services, including education and outreach efforts.
  As a municipality we can choose to conduct our own education and outreach about these recycling changes, and we'll be reimbursed on a household basis of up to $2.20 per household. Or we can enter a service agreement through an intergovernmental agreement with Boulder County, and Boulder County will include Jamestown in their education and outreach services. Boulder County does the education and outreach services for all of unincorporated Boulder County and is offering municipalities who opt in for them to provide the education and outreach such as in Nederland and Ward have done.

The Board gave the go ahead to enter into an IGA with Boulder County to do the public outreach.

Trustee Boehms motioned to enter into an IGA with Boulder County for Extended Producer Responsibility Education and Outreach Services to begin the process, seconded by Trustee Oncley. The motion carried with five yes votes.

Ken Lenarcic will provide a resolution for the May Town Board Meeting and Trustee Duffy will be the Town's point of contact.

Another component of this is having Green Girl Recycling being a service provider. There are still funds to pay Green Girl for the monthly recycling using the 2026 Sustainability Grant. Bridget will be able to submit an application for funding to the CAA as well.

This is a State initiative to help make recycling more accessible and affordable.

Ken: Draft a resolution for the next meeting authorizing the mayor to sign the IGA with Boulder County for extended producer responsibility education and outreach services.

**Committee Reports:**

**LUHAC –** No report.

**CML Policy and Legislation reports**: Ken will have an update for the Board that he'll send out week of April 20. Bills for diaper changing stations and School zone signage is coming up. By June 1st we'll have to have an ordinance that meets the requirements of the county and adopt the standards for the wildfire resiliency code as required by law.

**Sustainability Grant (Ken):** No money has been spent from the 2026 grant and will be focused on getting the Starlink set up at the plant, town hall, community barn. Trustee Oncley did a quick survey and the Starlink Mini worked fine in all the locations he tested.

**Watershed Center (Steve):** Steve shared his screen shot of an analysis that was done on wildfire risks on contaminated sites, which includes Porphyry Mountain and projected flood plain going through Jamestown with possibly landslides in case a wildfire comes through and a rainfall that magnifies that. The map includes the contaminated sites even if the mine tailings

has been capped off. They identified areas to be mitigated and proposed doing more wildfire mitigation to reduce the impact of fire. Other options to contain mine tailings are to build concrete embankments around the tailing ponds to try to divert water flow from mines and/or hauling tailings out. They've also been working on the St. Vrain and Boulder Creek basins. Trustee Oncley would like to invite the watershed manager from the center to give a presentation about wildfire risk and contaminated sites analysis to the Town Board.

Ken noted that after the flood in 2013, the tailings were exposed in Elysian Park by the tennis courts and the EPA did do repairs and put up rocks to stabilize that section and if the group from the watershed center could look at the repairs and give us an opinion about what might happen in a 100 year flood event.

**Water Operations (Roger/Matt):** Trustee Loving reported that some pumps need to be worked on and are rerouting the internal pump in the water department itself. He'll have more information and the next meeting.

**Jamestown Fire/EMS (Annamaria/Seth):** Working on staying on top of the power outages and response was good. There's a wildland fire fighter refresher course at the end of the month. There was a recent fire (Goat Fire) in Boulder and Messa, AJ and Seth took the new truck to the wildland fire. Seth is completing his FFI training.

**Roads & Bridges (Michal):** Michal ordered four loads of road base from Boulder County Transportation and Buddy Kihm will will schedule a time to do the grading this spring.

**Town Parks (Louis):** Louis' been looking into the town square and maintenance work that needs to be done (trail/bridge repairs) as well as getting the watering system in the town square running. Louis needs help and we can all help recruit volunteers. Michal wants to coordinate with softball team representatives regarding potential improvements to the softball field, including possible material needs and county support.

**Cemetery:** No report.

**Garden Committee:** Ken will contact Deanna Franz to find out how many garden beds will be rented out this summer.

Trustee Maurer motioned to adjourn, seconded by Trustee Oncley. The motion passed with five votes. The meeting adjourned at 8:32 p.m.

Respectfully submitted,

Mary Ellen Burch, Town Clerk

Approved,

Michael Box, Mayor
